Dear Hugh:

Unfortunately, I have been out of town most of the time since the arrival of the package but even the first few readings have proved to be fascinating.

Presumably, you will want specific comments on this and on the full manuscript later. In this connection, the "confession" has been read by our research director, Bob Smith, and he and I shall compose our thoughts in the next couple of days and forward them to you pronto.

Just didn't want you to think that we were ignoring such an important matter.

Best regards.

As ever,

Bernard Fensterwald, Jr.
